4	typically do. So there are differences in the way	4	employees were either known to him or came to him by
5	they approach, you know, whatever the problem is, or	5	way of referrals from other hotel operators. So
6	whatever their role is. So I wouldn't expect the	6	from those folks, he told me that they did not
7	police officers as a matter of good practice to, you	7	conduct criminal background checks. What he told me
8	know, do written daily activity reports, for	8	on the other folks is that he would do criminal
9	example.	9	background investigations.
10	Q. And your point there about patrol audits	10	BY MR. BOUCHARD:
11	actually ties in with a question I was about to ask	11	Q. Your testimony is that he told you that he
12	you. Which is during that time period, did	12	would conduct background checks on certain of his

14	information from the off-duty police officers who	14	A. On people that were not known to him or
15	worked from 10:00 p.m. to 2:00 a.m. at the hotel?	15	directly referred to him by another hotel operator
16	A. Let's make sure we're talking about the	16	or calling someone from one of the associations.

19	you scan. Either QR codes, bar codes, something	19	correct?
20	like that. Or you've got some kind of GPS tracking	20	MR. ALLUSHI: Objection.
21	that they use to track where the officers are. I'm	21	A. No, sir, I did not. As I explained, you
22	not aware of any such system existing in United Inn.	22	know, the way background checks are done nowadays,
23	It is possible there may have been a system on the	23	you can either get a formal report from the
24	police officers' patrol cars that allowed for GPS	24	background check company or you can in some
25	tracking. It is also possible they had some kind of	25	instances you can log in to a portal and get access

1	GPS tracking on their cell phones. But I'm not	1	to the reports without necessarily printing or
2	aware of anything that United Inn required or	2	saving the report. Or in some cases you can just go
3	provided in that regard.	3	into a county website and go do the background check
4	Q. During that time period, did United Inn	4	yourself.
5	have one United Inn employee working at the property	5	BY MR. BOUCHARD:
6	from 9:00 p.m. to 6:00 a.m.?	6	Q. During that time period, did United Inn
7	A. That's my understanding, yes, sir.	7	pay some of their employees in cash and not retain
8	Q. During that time period, did United Inn	8	records of the payments?
9	have one United Inn employee working on the property	9	A. I don't know the answer to that, sir. I
10	for five hours during the night without any off-duty	10	think he testified about that in his deposition.
11	police officers also working?	11	But I don't recall exactly what he said.
12	A. Going to make me do my math. 9:00 to	12	Q. During that time period, did United Inn
13	6:00 is what we're talking about. 9:00 p.m. to	13	monitor online reviews about the hotel?
14	6:00 a.m. is what we're talking about minus the four	14	A. I think he was asked about that as well.
15	hours, right? So six, seven, eight, nine, minus	15	I don't think they did. I don't have a specific
